

MEDIA DESIGN MA

Every applicant is sent detailed information about the date and time of the admission exams and the technical information in an electronic format.

THE ADMISSION PROCESS

ADMISSION PROCEDURE REQUIREMENTS

- Portfolio
- Oral interview: assessment of design and creative skills based on a presentation.

1. PORTFOLIO

The portfolio must include pieces that represent the applicant's professional competences. Any piece of art or sketch belonging to the field of media design can be part of it, be that an interactive installation, audio-visual content (video, animation, sound design, etc.), the documentation of a projection mapping event, a computer game, 3D or 2D graphic design or visual design, web contents, UX design, an app designed for a computer or mobile device, the description of creative organization activities or a theoretical piece linked to the profession.

Please submit the digital pieces as a data file to the server defined later.

Along with the portfolio please attach a short description in writing that informs the Admission Board about the aim of making that particular piece and your creative concept. Please upload this in a doc format to the folder containing your pieces of work.

Compulsory appendices:

- A statement of submitting only your own, original pieces of art. The statement can be downloaded here: <https://www.metropolitan.hu/hu/felveteli-vizsga>
- Covering letter: please attach a brief description of maximum one page length of your thoughts and motivations regarding the submitted pieces and your completion of the task.
- Please submit your CV, maximum one-page long.
- A document proving that you have paid the admission fee

2. ORAL INTERVIEW

During the interview you will have the opportunity to present further art works that you find important to prove your skills (e.g. drawings, computer prints, photographs, the digital reproduction of your hand made works, the documentation of interactive installations, the documentation of an Internet page/system, software, the documentation of a game application, etc.). Animations, films, or computer graphics are also accepted, the online platform is appropriate for that.

The interview will be held with personal presence.

Remarks to the two rounds

You will be informed about any technical detail regarding the rounds (where to upload the files, what platform the oral interview will take place on, etc.) in an email.

A further condition of participating in the admission procedure is that in case the applicant holds a degree issued abroad, the applicant's request has been granted and the qualification stated in the submitted documents, school report or degree (certificate) has been accepted.

In case of accepting a degree (certificate) issued abroad for participating in higher education in Hungary, METU takes the decisions of the Hungarian Equivalence and Information Centre into consideration.

Budapest Metropolitan University takes a decision about accepting a degree (certificate) issued abroad for participating in higher education in Hungary and it is sent in a registered mail to the applicant.
