

Dear Applicant,

We inform you that within your chosen program, specializations will be available starting from the first semester. The allocation of students to specializations is decided by the Admissions Committees; however, we kindly ask you to indicate which specialization you would most prefer and which you would least prefer.

Please note that a given specialization will only start if there is a sufficient number of applicants. Based on the number of applicants, the University will decide which specializations will be offered.

During the declaration, please rank (by numbering, e.g. 1, 2) the following specializations, placing your most preferred option first.

DECLARATION OF INTENT

I, the undersigned (personal code:), having read and understood the above information, hereby rank the following specializations within the **Fashion and Textile Design MA** program as follows:

_____ Fashion Design

_____ Textile Design
