2ND ROUND: PRACTICAL EXAM

The assignment is set in an email

The date and time of the assignment: the time of the evaluation of the assignment after the first round.

You will need the following equipment in order to be able to complete the practical exam:

- Computer or notebook
- Internet connection
- Digital camera
- Devices need to download the images

Creative task

Please in order to be able to complete the creative task, get your digital camera and the devices need to download the images ready.

You can choose from three different types of photography tasks. You will have to choose one from the given three topics and make a photo study, series, report, advertisement, photo illustration, comprising minimum 6 to maximum 12 pictures.

There is no opportunity to use digital post-production during the completion of the task.

When finishing the task, the images have to be uploaded to a drive defined by the university.

Technical specifications:

- **Format:** JPG images
- **Size:** original size
- **File name:** (Using the English alphabet without accentuation); surname_first name_portfolio_admission code_major_number of image e.g.: smith_adam_creative_task_FOT-0001_01

The metadata of the photos will be checked after uploading. The pictures can be taken by one camera only, the date of shooting has to be within the period of the practice task. It is recommended to set the type of picture on the camera to be jpg and these raw pictures have to be uploaded to the drive.

Compulsory appendices:

A statement of submitting only own, independent pieces of art. The statement can be downloaded here: <https://www.metropolitan.hu/hu/felveteli-vizsga>

2ND ROUND: PRACTICAL EXAM - INTERVIEW

In the interview you have to introduce the portfolio and the pictures taken during the admission procedure. You have to talk about a piece of work or an artist that has inspired you most and that made you learn a lot of it/them.

The members of the Admission Board ask questions to test your preparedness and interest.

You will need the following equipment in order to be able to complete the interview:

- Computer or notebook equipped with a web camera and microphone
- Internet connection

The length of the interview: 10-15 minutes.

Obviously, we would like to keep the schedule but based on our previous experiences there might be a delay, so we would like to ask you to be prepared for a longer day.

REMARKS TO ALL THE THREE ROUNDS

You will be informed about any technical detail regarding the rounds (where to upload the files, what platform the oral interview will take place, etc.) in an email.
