The semester in which the subject is open for registration:	2022/2023 1st semester
Prerequisite(s):	[Finance I. (Introduction to Finance) (fulfillment)]

### THE PURPOSE OF THE SUBJECT, LEARNING OUTCOMES:

The subject takes a new approach to the money and banking course based on the lectures. It examines the role the banking system plays in individual financial activities and considers the monetary policymaking that shapes the world's financial system. The approach addresses the modern framework of today's financial system, in which both financial markets and banks play important roles.

### SUMMARY OF THE CONTENT OF THE SUBJECT

Students are going to study about these fields:

- Introduction to Money and Banking
- The Financial System and the Economy
- Money and Payments
- The Structure of Interest Rates
- Stocks and Other Assets
- How Banks Work
- Government's Role in Banking
- Modeling Money
- Modern Macroeconomic Models
- Monetary Control
- Monetary Policy: Goals and Trade-Offs

### STUDENT'S TASKS AND PLANNED LEARNING ACTIVITIES:

Students should take part in the lessons, should do the presentation/mid-term, take the exam.

### EVALUATION OF THE SUBJECT:

Students show their presentation/write a mid-term. They have to reach at least 25 points (total: 50 points)

Students get examination grades after the completion of the examination in case of lectures and practical courses to be completed together.

Only students who have earned at least 25 points for the practical class can be allowed to take the examination. For students who do not meet this requirement, the subject is considered not completed and they must register for it again if they have originally registered for it as a compulsory subject.

If the score is less than 50 percent or have an "did not obtain signature" status in the subject

registry in the electronic study administration system, the examination grade is “fail” and the provisions of the assessment and evaluation system of the student’s knowledge are to be applied to improve the grade and fulfil the subject requirements.

Offered grade can be given: No.
