STUDENT'S TASKS AND PLANNED LEARNING ACTIVITIES:

The number of total points is 100. It means 100 percent.

1/ You can collect 50 points during the semester as follows. You have to collect minimum 25 points out of 50 points during the semester.

- Maximum 25 points: Solve tasks (Quiz questions) and upload the solution to the CooSpace (Tasks part) each 2nd week. The deadline for the uploading is the coming Monday every week.

If you upload your solution until the deadline it means 5 points for you.

If you miss the (original) deadline, but you solve the task and upload it until 6th December you can get 2 point for each task. The final deadline will be 6th December for each every task.

- Maximum 25 points: Mid-term exam will on the 11th week (2nd December) during the lecture. The Mid-term exam means practical examples (calculations) multiple-choice test questions and essay questions (calculation).

2/ You can collect 50 points at the written exam. The written exam means theoretical questions. The "Finance II. (Corporate finance)" written exam will be 25 multiple choice test questions. You have to mark the correct answer. Only one correct answer must be at each question. Each correct multiple choice test answer means 2 points. There will be 25 multiple choice questions, so you can collect maximum 50 points.

Before start of the term of the examination, I will upload a sample written exam. It will be an opened book exam. Don't forget register on the Neptun system before written exam.
